Should any bus journey not operate for any reason,
Three Rivers Community Rail Partnership
and UNITY for Transport will not be held liable for any
inconvenience or costs arising from the failure to do so.

Three Rivers Community Rail Partnership
The Three Rivers Community Rail Partnership is a 'not for profit' organisation which provides a link between the railway industry and local communities. Partners can include any individual, business or organisation wanting to positively develop the local rail route and stations. This includes practical initiatives to improve station facilities and services, enhance integration with other forms of transport and create a better, more sustainable local railway.
