Bird Team Apprentice

An exciting opportunity has arisen for an apprentice to join our world-class team of bird staff and contribute to the success of this internationally renowned conservation charity and highly-rated visitor attraction.

About the Hawk Conservancy Trust

The Hawk Conservancy Trust has enjoyed considerable success over the last 56+ years, as an award-winning visitor attraction and conservation charity dedicated to the conservation of birds of prey. We are fortunate to be situated on a stunning 22-acre park with a range of facilities, including three flying arenas. Our reputation for a warm welcome, passion for our birds and dedication to our visitors is central to our success and has led us to become highly ranked in England according to TripAdvisor.

Person Specification

He or she will need to have a passion for birds of prey and be interested in learning to work with and care for them. While hugely rewarding, it is not for the faint-hearted and requires a commitment to work hard and outdoors in all weathers.

Strong communications skills will also be a key area for development to support our mission in conserving birds of prey by sharing knowledge of the importance of birds of prey and the threats they face with our visitors.

The apprenticeship, lasting 12-15 months, will give the candidate a Level 2 qualification in Animal Care and Welfare once completed. We are looking for someone who is available to begin their apprenticeship in September.
